**NEW PLANTS**  
**FOR**  
**2005**

If you're addicted to plants, you'll love this list. New plants from all over the world will be making their debut this spring at a garden center or mail-order nursery near you. With all the new

variations in plants available this year, it will be hard to whittle down your wish list by spring. There are even some that will be hard to get because they're so new. So get started early!

Plant Name	Height/ Width	Cold/Heat Zones	Bloom Time	Introducer	Source	Comments
<b>PERENNIALS</b>						
<b>Agastache 'Ava'</b> <i>Agastache</i> hybrid	4 to 5 ft./24 in.	5-10/10-1	Midsummer to autumn	Santa Fe Greenhouses	High Country Gardens <a href="http://www.highcountrygardens.com">www.highcountrygardens.com</a> 800-925-9387	Huge spikes of deep rose-pink flowers; raspberry-red calyxes keep their color until the first hard frost; makes an excellent dried arrangement; fertilize in midfall with balanced granular fertilizer; cut back the sweetly scented foliage in midspring; full sun; well-drained soil
<b>Beardtongue red sage</b> <i>Salvia penstemonoides</i>	24 to 30 in./24 in.	6-10/10-1	Summer	Santa Fe Greenhouses	High Country Gardens <a href="http://www.highcountrygardens.com">www.highcountrygardens.com</a> 800-925-9387	Thought to be extinct, this wildflower was rediscovered in Texas in the 1990s; dark rose-red flowers on tall spikes; protect from wind; full sun; moisture-retaining soil
<b>Bellflower 'Heavenly Blue'</b> <i>Campanula rapunculus</i>	36 in./18 in.	4-9/9-1	Mid- to late summer	Sakata Seed	Local garden centers	Biennial with tiny star-shaped light blue flowers; long lasting as cut flowers, use in place of baby's breath in arrangements; full sun to part shade; fertile, well-drained soil
<b>Berkheya 'Silver Spikes'</b> <i>Berkheya purpurea</i>	24 in./18 in.	6-9 /9-1	Summer	Darwin Plants	Local garden centers	Interesting thistlelike foliage; good architectural plant for a border or hedge; 3-in. daisylike white flowers with purple centers; full sun; moist, well-drained soil
<b>Campanula 'Powder Puff'</b> <i>Campanula punctata</i>	24 in./12 in.	5-9/9-1	Late spring through summer	Terra Nova	Go to <a href="http://www.terravananursery.com">www.terravananursery.com</a> for a retail source	Very large, double white flowers on sturdy stems; great hummingbird plant and cut flower; full sun to part shade; moist, well-drained soil
<b>Coral bells 'Color Dream'</b> <i>Heuchera</i> hybrid	12 in./14 in.	4-8/8-1	Late spring to summer	Darwin Plants	Local garden centers	Purple foliage with a silver sheen and stunning red edges in midsummer; excellent for the front of a border, rock garden or in a container; full sun to part shade; well-drained, slightly alkaline soil
<b>Daylily 'Parkdale Violet Parade'</b> <i>Hemerocallis</i> hybrid	16 in./24 in.	3-10/10-1	Midsummer	B&D Lilies	Snow Creek Daylily Gardens <a href="http://www.bdlilies.com">www.bdlilies.com</a> 360-765-4342	Velvet-textured 4 in. violet flowers with a hint of silver at the edges; big yellow eye and light lavender stripe; fade-resistant blooms; great frost-tolerance; full sun; well-drained soil
<b>Daylily 'Parkdale Champagne Bubbles'</b> <i>Hemerocallis</i> hybrid	28 in./30 in.	3-10/10-1	Mid- to late summer	B&D Lilies	Snow Creek Daylily Gardens <a href="http://www.bdlilies.com">www.bdlilies.com</a> 360-765-4342	5 in. fragrant champagne-buff colored flowers get whiter in hot climates; makes large clumps in a short time; full sun; well-drained soil
<b>East Indies aster 'Berggarten'</b> <i>Aster tongolensis</i>	12 in./14 in.	4-8/9-2	Summer	Darwin Plants	Local garden centers	Lavender-blue flowers with a striking orange center; makes a great cut flower; full sun to part shade; fertile, well-drained, slightly alkaline soil
<b>Foxglove Camelot™</b> <i>Digitalis</i> hybrid	4 ft./30 in.	5-9/12-1	Summer	Goldsmith Seeds/ The Flower Fields	Local garden centers. Go to <a href="http://www.theflowerfields.com">www.theflowerfields.com</a> for a garden center near you	New series in cream, lavender, rose and white; flowers the first year from seed with a heavy second-year bloom
<b>Garden mums My Favorite™ series</b> <i>Chrysanthemum</i> hybrids star white, purple, lavender, orange and amber	14 in./18 in.	9-3/9-1	Late summer through autumn	Anthony Tesselaar	Local garden centers. Go to <a href="http://www.tesselaar.com">www.tesselaar.com</a> for a garden center near you	This group is more compact than previous mums in the series; over 5000 flowers per season on a mature plant; fertilize monthly with balanced liquid fertilizer; true perennials, you'll want to plant these in the landscape, not in containers; evergreen in the South; full sun, filtered in dry heat areas such as the desert Southwest; well-drained soil
<b>Goldenrod 'Goldrush'</b> <i>Solidago</i> cutleri	12 in./30 in.	4-9/9-5	Late summer to autumn	Blooms of Bressingham	Local garden centers. Go to <a href="http://www.bobna.com">www.bobna.com</a> for a garden center near you	Dense spikes of yellow-gold flowers almost completely cover the foliage; good air movement prevents rust and other fungi; don't overfeed — too much fertilizer will promote foliage, not flowers; drought-tolerant once established; full sun; well-drained soil

**top picks**  
**NEW PLANTS**  
**FOR**  
**2005**

Plant Name	Height/ Width	Cold/Heat Zones	Bloom Time	Introducer	Source	Comments
<b>Great masterwort</b> 'Abbey Road' <i>Astrantia major</i>	12 to 16 in./18 in.	4-7/4-8	Early to late summer	Monrovia Nurseries	Local garden centers. Go to <a href="http://www.monrovia.com">www.monrovia.com</a> for a garden center near you	Ruby-maroon flowers accented with a white base; flower stalks grow to 25 in. and are very vigorous; hairy deep green leaves; grow in part shade; well-drained, moist, not soggy, organic soil
<b>Heuchera</b> 'Starry Night' <i>Heuchera</i> hybrid	14 in./16 in.	4-9/9-1	Late spring to summer	Terra Nova	Local garden centers. Go to <a href="http://www.terranoanurseries.com">www.terranoanurseries.com</a> for a garden center near you	Tall spikes of sparkling pink-white flowers are a favorite of butterflies and hummingbirds; mounding, deep-purple foliage is almost black; great in containers or borders; full sun; well-drained soil
<b>Lewisia</b> 'Constant Comment' <i>Lewisia</i> hybrid	3 in./5 in.	6-9/9-1	Late spring through late summer	Terra Nova	Local garden centers. Go to <a href="http://www.terranoanurseries.com">www.terranoanurseries.com</a> for a garden center near you	Short clusters of large pink flowers over a rosette of succulent strap-like leaves; reblooms several times; do not fertilize; use gravel mulch and make sure it has excellent drainage for winter survival; part sun
<b>Ligularia</b> 'Little Rocket' <i>Ligularia stenocephala</i>	40 in./40 in.	5-8/8-2	Midsummer	Darwin Plants	Local garden centers	Has the substance and presence of ligularia 'The Rocket' at half the size; dark-green, deeply toothed leaves on black stems; tall spikes of wispy petaled bright-yellow flowers; part sun; does best in consistently moist, fertile soil
<b>Liriope</b> Cleopatra™ <i>Liriope muscari</i>	24 in./24 in.	5-9/9-1	Late spring to early summer	Plant Development Services, Inc.	Local garden centers or <a href="http://www.plantsbymail.com">www.plantsbymail.com</a>	Large size and hefty appearance; vivid purple flowers rise well above the foliage; full sun to full shade; moist, well-drained soil
<b>Malva</b> 'Sweet Sixteen' <i>Malva</i> hybrid	24 in./18 in.	5-8/9-1	Summer through autumn	Darwin Plants	Roots and Rhizomes <a href="http://www.rootsrhizomes.com">www.rootsrhizomes.com</a> 800-374-5035	Petite hybrid is shorter than its relatives; hollyhocklike soft-pink flowers cover the entire stem; full sun to part shade; well-drained soil
<b>Meconopsis</b> 'Hensol Violet' <i>Meconopsis betonicifolia</i>	36 in./18 in.	7-8/8-1	Early summer	Thompson and Morgan	Thompson and Morgan <a href="http://www.thompson-morgan.com">www.thompson-morgan.com</a> 800-274-7333	Unusual violet color; perfect for woodland borders; sow seeds February to June or September to October; plant will flower the following summer; part shade; moist, well-drained, slightly acid soil (seed)
<b>Mullein</b> 'Sierra Sunset' <i>Verbascum</i> hybrid	18 in./14 in.	5-9/9-1	Summer	Terra Nova	Local garden centers. Go to <a href="http://www.terranoanurseries.com">www.terranoanurseries.com</a> for a garden center near you	Warm orange and melon colored flowers with deep-red eyes and ruffled petals; compact foliage is not as felted as most mullein; full sun
<b>Phlox</b> 'Flower Power' <i>Phlox maculata</i>	4 ft./3 ft.	5-8/9-4	Summer	Blooms of Bressingham	Local garden centers. Go to <a href="http://www.bobna.com">www.bobna.com</a> for a garden center near you	Tiny clusters of lightly fragrant flowers look white at a distance, show a pink tinge up close; reblooms in autumn when cut back hard after first flowering; pinch back to make a fuller plant; good mildew resistance, but allow air circulation; full sun; evenly moist, well-drained, rich organic soil
<b>Purple coneflower</b> 'Green Eyes' <i>Echinacea purpurea</i>	30 in./24 in.	4-9/9-1	Midsummer to early autumn	Terra Nova	Local garden center. Go to <a href="http://www.terranoanurseries.com">www.terranoanurseries.com</a> for a garden center near you	Scented flowers in shocking magenta with an indented green center cone that matures to bright orange; attracts butterflies and hummingbirds; drought-tolerant and deer-resistant; great cut flower; full sun; well-drained soil
<b>Sea holly</b> 'Blue Jackpot' <i>Eryngium</i> hybrid	24 in./18 in.	4-7/7-1	Late summer	Darwin Plants	Roots and Rhizomes <a href="http://www.rootsrhizomes.com">www.rootsrhizomes.com</a> 800-374-5035	Spectacular deep-blue flowers surrounded by large, spiky blue bracts; full sun; well-drained soil
<b>Toad lily</b> 'Taipei Silk' <i>Tricyrtis</i> hybrid	24 in./24 in.	6-9/9-6	Late summer to autumn	Blooms of Bressingham	Local garden centers. Go to <a href="http://www.bobna.com">www.bobna.com</a> for a garden center near you	Heavy blooming exotic purple flowers; no staking or special care required; plant where small flowers can be seen up close; part shade; moist, rich, well-drained organic soil
<b>Torch lily</b> 'Helen Dillon' <i>Kniphofia caulescens</i>	36 in./24 in.	7-9/9-1	Spring	Huronswood Nursery	Huronswood Nursery <a href="http://www.huronswood.com">www.huronswood.com</a> 360-297-4172	Bright-orange heads fade to yellow on 3-ft. stems; powdery blue, upright foliage; full sun; evenly moist, well-drained soil
